MA 39070

TO PRACTICE MEDICINE & SURGERY
IN THE STATE OF NEW JERSEY

Administrative Action

ORDER GRANTING
UNRESTRICTED LICENSURE

This matter was opened to the New Jersey State Board of Medical Examiners (the "Board") upon the petition of Parviz Javdan, M.D., ("Respondent") for the removal of the restrictions on his medical license as imposed in the Final Order filed on December 13, 2000. The Final Order was based solely upon a disciplinary action taken against Respondent in the State of New York (which action was effected through the entry of a Consent Agreement and Order entered by the New York State Board for Professional Medical Conduct effective April 21, 1999). As of February 1, 2001, Dr. Javdan holds a full and unrestricted license to practice medicine in New York State. Pursuant to the New Jersey State Final Order, Dr. Javdan's License to practice medicine and surgery in the State

CERTIFIED TRUE COPY

of New Jersey was suspended for a period of twenty one months effective December 13, 2000. The entirety of the suspension was stayed as a period of probation.

The Board has considered Dr. Javdan's request to remove all aforesaid restrictions on his license, and finds that he has satisfactorily completed the term of his probation. The Board further finding the within disposition adequately protective of the public health, safety and welfare,

IT IS therefore on this 19th day of February, 2003

ORDERED:

Parviz Javdan, M.D., is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.
